District 5450 Rotary Youth Exchange
Mandatory Events for Inbound Students

The following events are mandatory and are a condition of your exchange year in Rotary District 5450. This is to advise you of the events, the expected dates and the policy regarding the mandatory attendance.

1. The following are the dates of these events; however, **it is the event that should be considered mandatory and not the date**. Although rare, we have had to change dates due to weather or other unexpected problems in the past. If this happens we will notify everyone at the earliest possible time about the change.

   Fall Inbound Orientation September 21-23, 2018
   Winter Inbound Orientation February 24, 2019
   NAYEN March 14 -17, 2019

2. Travel, sports events and other school commitments will not be considered excuses for missing a mandatory event. If a student misses any of the mandatory events it will be considered unexcused, and they will not be eligible to go on the Summer Trip that is sponsored by District 5450. An unexcused absence may also result in the student being sent home. An excused absence will be considered for illness and will be issued by Rick Wilkinson, Inbound Chair, if necessary.

3. There are other events we want you to be aware of. While these are NOT mandatory, they are a chance for your class of inbound students to get together for fun.

   Welcoming BBQ- August 26, 2018
   Outbound interview weekend and World's Fair- December 1, 2018
   Winter Ski Weekend- Jan. 25-27, 2019
   District Conference May 2019 TBD

I understand the commitment and agree to attend the mandatory events listed above as a condition of my exchange year.
